Notes to the Financial Results:

- The financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 - Interim Financial Reporting, notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, and other accounting principles generally accepted in India.
- Effective April 01, 2019, the Company has adopted Ind AS 116 - Leases, which requires any lease arrangement to be recognised in the balance sheet of the lessee as a 'right-of-use' asset with a corresponding lease liability. Accordingly depreciation has been charged on such assets during the period as against lease rental expenses in the previous year. As permitted by the standard, the Company has applied this standard w.e.f. April 01, 2019 and comparatives for the previous period / year have not been restated. The underlying estimates are also being improved upon and the effect of this adoption is insignificant on the profit for the period.
- During the quarter ended June 2019, the company had changed its method of identification of Non-Performing Assets for the purpose and compliance with National Housing Bank (NHB) Guidelines and method of appropriation of recovery in the loan accounts. This change was pursuant to the observation made by the NHB during their inspection carried out for Financial Year 2016-17 and subsequent communication thereon. Due to these changes for quarter ended June 2019: -
 - the net addition to Non-Performing Asset were higher by ₹ 2.11 crore and
 - the interest income has reduced by ₹ 0.72 crore.
 The Company continues to recognise impairment loss on housing loans at amount determined under the NHB Directions or expected credit loss as per Ind AS 109, whichever is higher.
- The Company's main business is to provide loans for the purchase or construction of residential units. All other activities revolve around the main business. Hence, there are no separate reportable segments, as per Ind AS 108 Operating Segments.
- Tax expenses for the quarter and nine months ended December 31, 2019 reflect changes made vide Taxation Laws (Amendment) Ordinance 2019 as applicable to the Company, resulting in a reversal of Deferred Tax Assets aggregating to ₹ 3,883 Lakhs for the nine months ended December 31, 2019. Consequently, Deferred Tax Assets have been reduced with a corresponding charge to Profit and Loss Account.
- The above results for the quarter and nine months ended December 31, 2019 have been reviewed and recommended by the Audit committee and subsequently approved by the Board of Directors at their respective meeting held on February 11, 2020 in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- The Statutory Auditors of the Company have carried out a Limited Review of the financial results for the quarter and nine months ended December 31, 2019 in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
- Figures for the previous period have been regrouped / reclassified wherever necessary, to make them comparable with current period figures.
