Commenting on the results, **Mr. Parag Chheda, Joint Managing Director of Prince Pipes and Fittings Limited, said** "We are happy to report another quarter of continued strong performance amidst the existing pandemic situation. Our efforts were driven by sharp focus on the Agri & Plumbing segments and efficient cost optimization measures, translating into robust growth on YOY basis along with healthy margins. We continued to undertake several future-oriented initiatives already in aggressive implementation stages. During the quarter we established key strategic associations with global industry leaders to expand market leadership and manufacturing expertise, leverage our distribution excellence and strengthen competitive agility to respond to India's evolving needs in the piping systems industry.

As we progress, we remain cautious yet optimistic on industry outlook. We continue to explore strategic measures to contribute to and capitalize on the Government's initiatives centered on Atmanirbhar Bharat, and remain committed to creating greater shareholder value through our endeavours."
